

Dear Parent or Guardian,

The SOURCE at Red Bank Regional High School is excited to offer your son/daughter an opportunity to participate in a four-week transitional program designed for incoming freshman. This program, entitled “Summer Slam,” runs July 5th -July 27th 8am-1pm, Monday through Thursday.

The SOURCE, located on site at Red Bank Regional, is a School Based Youth Services Program offering myriad services including; individual, family and group counseling, crisis counseling, preventative medical and dental care, substance abuse counseling, academic support, recreational and cultural activities, scholarships programs and Summer Slam.

Understanding you want the best academic experience for your child, we have created a challenging curriculum that will include: language arts, math, history and science with an emphasis on critical thinking skills, reading comprehension and test-taking strategies. The development of these skills is essential to your child’s high school achievement.

To participate in Summer Slam, your child *must* be available to attend all four weeks of the program, is not absent more than two days and remains on task with his/her assignments. As an incentive, these students will be awarded 2.5 credits towards graduation. Your child will get to meet their new classmates and work with teachers from the Freshman Academy. Overall the Summer Slam program is an enriching experience that prepares your child to be successful at Red Bank Regional High School.

If interested, please complete the application included in the Summer Slam brochure and return to my attention at the address above. Our program is capped at 100 students; therefore, this is a first come first serve opportunity. Once we receive your completed form, we will contact you to confirm enrollment. Look for bus information the last week in June. Lunch and transportation is provided.

If you have any questions, please feel free to contact me at 732-842-8000 ext. 1-236 or email skeller@rbrhs.org.

Sincerely,

Suzanne Keller
